Understanding Causes and Effects

The chart below lists some of the causes and effects of the Crusades. Study the chart. Then use the guidelines for understanding causes and effects in Skill Lesson 3 (text page 88) to answer the questions that follow.

1. Which cause of the Crusades occurred after the Turks conquered the Holy Land?

2. Which cause of the Crusades was most long-range? _____

3. What effect did the Crusades have on control of the Holy Land? _____

4. Which effect of the Crusades was most immediate? _____

5. Why would improvement in the sailing skills of Europeans be a long-range effect of the Crusades? _____

6. Why did Europeans develop an interest in trade as a result of the Crusades?
